# 1 | Company Introduction

NESSIAA

Founded in Guangzhou, China, personal care manufacturing hubs.

we are a nimble, innovation-driven OEM/ODM factory specializing in full-range **hair care and skin care products**.

We don't just manufacture — we formulate. From concept to finished product, we develop custom formulas tailored to your brand's unique positioning, target audience, and market requirements.

#### **What We Offer:**

- **Full-line hair & skin care:** shampoo, conditioner, hair mask, body wash, lotion, and more
- OEM & ODM manufacturing with **custom formulation capabilities**
- **Flexible MOQ** to support indie brands, startups, and scaling retailers
- **Transparent production process** with export compliance for the US, UK, and EU markets
- **Dedicated account support** from sampling through to delivery

We work closely with brands and buyers across North America and Europe, helping them bring differentiated, high-quality personal care products to market — faster and smarter.

**Your brand. Our expertise. Built together.**
